

Quilting Can Be a Lifesaver

Dear Talented Quilter:

Would you like to use your quilting artistry to save a woman's life? Would you be willing to create a quilt to help find a cure for breast and gynecological cancer? If the answer is yes, we are inviting you to the Pink Roses Teal Magnolias "Quilt for a Cure" so that we can make breast and gynecological cancer history.

MD Anderson Cancer Center at Cooper is planning an on-line quilt auction for the Fall of 2020. We are asking you to donate a beautiful quilt for the auction that conveys the theme of "Artful Healing." All proceeds from our on-line auction will benefit the Pink Roses Teal Magnolias Fund, which raises funds for breast and gynecological cancer clinical and research programs at MD Anderson at Cooper.

All the funds raised through Pink Roses Teal Magnolias Quilts for a Cure stay local, funding research projects, complementary medicine programs, supportive services, technology, our Survivor Program and our Patient in Need fund that assists patients in financial distress with transportation, child care, prescription co-pays and other immediate needs.

This is a perfect way to create art that heals. Please sign up today, using the attached application and quilting guidelines. Please share this with your quilting friends.

Quilt for a Cause. Quilt for a Cure.

Sincerely,

Susan Bass Levin
The Cooper Foundation
