Present the

COOPER RED HOT GALA

All proceeds support The Cooper Foundation's commitment to making life better for our patients and our community.

As South Jersey's leading academic health system, our top priority is to keep our patients, our staff, and the communities we serve safe. In light of the presence of COVID-19 in the community we have made the difficult decision to change Cooper's Red Hot Gala into a virtual event. As disappointed as we are not to see everyone in-person, we feel this is the best option to keep our friends, families and colleagues safe.

We are extremely grateful to our supporters for their continued commitment to this event during these challenging times for all of us. Now more than ever, however, we need your support to continue to provide expert, compassionate health care to the record number of patients seeking treatment by Cooper's experts.

We encourage you to be as generous as you have in the past in supporting Cooper's mission – to serve, to heal, to educate.
