

Dear Friend,

Will you sign on as a **Pink Roses Teal Magnolias Community Partner and join the fight against breast and gynecological cancer?**

Pink Roses Teal Magnolias is the power of hope and the strength of sisterhood, touched by the exceptional and compassionate work at MD Anderson Cancer Center at Cooper. Your organization can make a difference – raising awareness about women’s health and raising funds to find a cure for breast and gynecological cancer.

Our community partners are creative, committed and generous. We welcome the opportunity to partner with organizations who share our passion for making a difference. No effort is too big or too small.

Here’s how you can help:

- Hold a shopping event at your store or business and donate a percentage of the proceeds to Pink & Teal
- Host a dress-down day at your school or workplace – employees donate for the opportunity
- Dine for Dollars by donating a percentage of all dining proceeds for the day
- Pledge your company’s fundraising efforts for Breast or Gynecologic Cancer Awareness to Pink & Teal
- Create a signature idea of your own – with proceeds donated to Pink & Teal.

And while you are “doing good”, we will applaud you on our website and social media.

A Community Partnership form is attached. Please do not hesitate to contact Tara Elk at 856.583.2162 with any questions. All Community Partnership forms should be emailed to elk-tara@cooperhealth.edu.

Be a part of the life-saving care and research that takes place at MD Anderson Cancer Center at Cooper – it only takes one idea to make a big impact.

Sincerely,

Generosa Grana, M.D.
